Administrative Settlement Agreement and Order on Consent

Dear Sir or Madam:

Enclosed is a proposed Administrative Settlement Agreement and Order on Consent (ASAOC), pursuant to Sections 104, 106(a), 107 and 122 of the Comprehensive Environmental Response, Compensation, and Liability Act of 1980, as amended (CERCLA), 42 U.S.C. §§ 9604, 9606(a), 9607 and 9622 by which your client would agree to undertake the removal actions determined by the U.S. Environmental Protection Agency to be necessary at the South Dayton Dump and Landfill Site, in Moraine, Montgomery County, Ohio. In addition, by signing the ASAOC your client would agree to reimburse the United States for its costs of overseeing the removal actions performed under this Order and the costs which the United States has already incurred at said Site in the approximate amount of \$85,968.57. While the enclosed has not been approved by the official having the legal authority to bind EPA, if your client executes the document, the undersigned and the On-Scene Coordinator for this Site will recommend that the agency enter the ASAOC in its present form.

If your client wishes to settle this matter on the terms contained in the enclosed ASAOC, please have it executed by a duly authorized agent, and returned to me within 14 calendar days of receipt. If you have any questions or concerns, please call me immediately at (312) 886-0552 or email me at nash.thomas@epa.gov. If your client is unwilling to enter into the Order as written, we would appreciate being so advised without delay, so that the agency may undertake an alternative approach to deal with the serious situation at the Site.
